A WEAK WOMAN AND HER STORY

In Floral, Ark., Lives a Lady Who Feels That Her Strength Was Restored by Cardui.

Floral, Ark.—"I must speak a good word for Cardui," writes Mrs. Viola Baker, of this place.

"About a month ago I was in very bad health. I was so weak and nervous that I was not able to do my housework."

"My husband bought me one bottle of Cardui, the woman's tonic. I took it according to directions and now I am in good health."

"I think Cardui is a fine tonic for weak women."

"And you are not the only lady who thinks so, Mrs. Baker."

Thousands, like you, have written to tell of the wonderful benefit Cardui has been to them.

Cardui contains no minerals, or other powerful drugs. It contains no glycerin or other mawkish-tasting ingredients.

It is just a pure, natural extract, of natural vegetable herbs, that have been found to regulate the womanly functions and strengthen the female system.

TUBERCULOSIS TOPIC IN LOCAL CHURCHES

Rock Island Ministers Will Discuss Disease and Its Prevention Tomorrow.

For the dissemination of information concerning tuberculosis, tomorrow has been set aside by the National Association for the Study and Prevention of Tuberculosis as "Tuberculosis Sunday." Practically every minister in the country has been appealed to and asked to assist in the spreading of information and soliciting aid in the fight against the "great white plague." Several of the local pastors have announced they will discuss the subject at the morning services.

With a view to furthering the plans of the association and to bringing about a closer interest in the matter, Secretary J. A. Kinn of the state board of health has sent out much literature, exhaustive and valuable treatises on the disease, dealing with causes and prevention of the dread ailment, accompanied by a circular letter. The letter, which is being sent broadcast through the state, is as follows:

"The plan of the national association is to secure the cooperation of as many churches of all denominations in all parts of the United States as may be possible, devoting at least a part of some services of April 24, 1910, to the consideration of the tuberculosis problem. It is desired that the topic be dealt with through the sermon by the clergyman himself, or through a talk by a layman. In the great majority of cases, however, the clergyman will prefer to deal with the topic themselves."

Passover Services.

Rabbi W. H. Fineshriber of Temple Emanuel, Eleventh and Brady streets, Davenport, announces that special passover services will be held at Temple Emanuel tomorrow afternoon, beginning at 3 o'clock. There will be special festival music and a sermon by Rabbi Fineshriber. The services are open to the public.

Cook in Comfort

You no longer need wear yourself out with the weakening heat of an intensely hot kitchen. You can cook in comfort.

Here is a stove that gives no outside heat. All its heat is concentrated at the burners. An intense blue flame (hotter than either white or red) is thrown upwards but not around. All the heat is utilized in cooking—none in outside heating.

New Perfection Oil Cook-stove

entirely removes the discomfort of cooking. Apply a match and immediately the stove is ready. Instantly an intense heat is projected upwards against the pot, pan, kettle or boiler, and yet there is no surrounding heat—no smell—no smoke.

Why? Because The New Perfection Oil Cook-Stove is scientifically and practically perfect. You cannot use too much wick—it is automatically controlled. You get the maximum heat—no smoke. The burner is simple. One wipe with a cloth cleans it—consequently there is no smell.

The New Perfection Oil Cook-Stove is wonderful for year-round use, but especially in summer. Its heat operates upward to pan, pot, or kettle, but not beyond or around. It is useless for heating a room.

It has a Cabinet Top with shelf for keeping plates and food hot. It has long turquoise-blue enamel chimneys. The richest finish, with the bright blue of the chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.
